Getting to Lawrence

Your trip to Lawrence should take approximately 1 hour from the airport.

We will be running buses between Kansas City International (MCI) and the Springhill Suites in Lawrence, Kansas on Thursday, January 17. For those who requested a shuttle, buses will be picking up at your terminal at baggage claim. Look for a rep from Redy2Party bus service holding a FUDCon Sign. If you didn't request a shuttle, you can see if there is room on one when you land. Buses will be arriving at the airport at these approximate times:

11 a.m.	2:15 p.m.	3:15 p.m.	4:15 p.m.
5:15 p.m.	7:15 p.m.	10:15 p.m.	11:45 p.m.

Getting to the hotel, and FUDCon

Most out-of-town attendees are staying at the Springhill Suites.

On Friday, FUDCon begins at 9 a.m. in the Spahr Engineering Classroom, located in Eaton Hall, on the campus of the University of Kansas. A brief orientation, barcamp pitches, and the traditional FPL talk will be at this location. Following this, FUDCon sessions will start at 10:30 a.m. in the adjacent building, Learned Hall.

Shuttles will be provided from Springhill Suites to FUDCon each morning (and back in the evening); shuttles will start at approximately 8:00 - 8:15 am. Please allow plenty of time; not everyone can take the last shuttle, each of which holds 15-20 people, for a 10-15 minute ride. It is a long, cold walk.

We will have coffee, water, and soda available at FUDCon.

Registration, badges, swag.

Pick up a FUDCon: Lawrence booklet at the front desk of the Springhill Suites when you check in, and please take a few minutes to read through it. (Don't worry; if you're staying elsewhere, or live nearby, we'll have some of these at FUDCon, too.)

For those who pre-registered, name badges can be picked up outside Spahr Engineering Classroom on Friday morning, or first floor Learned Hall at other times. If you were in the first 150 to register, you can pick your fabulous souvenir tee-shirt up at this time as well. On-site check-in will begin at 8:30 a.m.
