

# Community Report

Hungary, 2013. dec 6.

PRESENTED BY:

Zoltan Hoppa, Gergely Rakosi

Fedora Ambassadors.

# Today's Topics

- Quick Local Community Analysis
- Events in 2013
- Planned events and needs for 2014
- Questions

A stylized graphic of a human figure in shades of blue and grey, positioned on the left side of the slide. The figure is composed of rounded, overlapping shapes, suggesting a modern, abstract design. The background is a dark blue gradient.

# Quick Community Analysis

# Community Analysis

- Community members: was 15/ 35 / now 50 registered FAS confirmed HU user, lots came in this year, lots are newbies, we are known more and more within possible contributors
- Approx avg. 50% people returning constantly, and contributing in various places
- IRC activity: constantly now avg. 15 people
- Active/Non-active ambassadors: 4 / 0
- We gained a new HU ambassador, the 4<sup>th</sup> one!

# Current year events

# Current year events 1.

- Fedora 18 Release Party - 18. February (400 USD, incl swag, 20 attendee)

- Red Hat OpenHouse 2013 - 17. April (no support request, 8 attendee)
- Linuxwochen Vienna – May (Cwickert handled support)
- Hegyalja Fest – Jun (Local FSF support, swag support only by Jiri, huge crowd)
- Fedora 19 Release Party – Jul (Balabit supported, swag support only from Jiri, 20 attendee)
- Sysadmin Day – Jul (100 attendee, no support)

# Current year events 2.

- Flock USA Aug 2013 (Rgeri77, supported by Fedora)
- OpenStack CEE 2013 May 29 (RH Hiring desk support, Tyler Siprova)
- Fedora Roundtable 2013 – Okt (Balabit supported)
- Virtualization Day 2013 – Nov (external companies)
- FSF Conference Szeged 2013 – Nov (cca 430 USD)
- Fedora 20 Release Party Jan 2014
  
- We plan to participate on the same events, and maybe more non-geek event that can we reach locally at HU

A stylized graphic on the left side of the image shows two hands, one light grey and one dark blue, cupping a globe. The globe is composed of a light blue circle and a dark blue circle. The background is a dark blue gradient.

# Local Community Care

# Local community care

- Website under mass rebuild, [hu.fedoracommunity.org](http://hu.fedoracommunity.org), artwork by kesigomu
- IRC – moderated by Zoltanh721, asrob
- Newly started: Mailing list as fallback, and aid possibility for our users
- Google plus channel instead of local forum, but we are using twitter, facebook, and other social channels
- Maintained by 2 person (Peter Borsa, and Zoltan Vigh), content filled by many
- Planning and thoughts organising help: Trello

# Foregin community care

- Keeping contacts with other communties
- New: Try to get more foregin speakers (Szeged 2013, Jörg Simon and Onuralp Sezer)
- Local community experiece exchange as purpose
- Resurrect dead communities (eg. Poland, not many success since)
- Keep contact African ambassadors
- Mentoring by zoltanh721 (currently: Karl Fisher from South Africa)

A stylized graphic of a person in a blue circle, rendered in a light blue color, positioned on the left side of the slide. The person is depicted in a simple, rounded style, with a head, torso, and limbs. The blue circle is partially obscured by the person's figure.

# Summary

- We are slowly but surely grow in community, approx. 30% in this year 2013
- Events number increased from 8 (in 2012) to 13
- +1 new Ambassador
- We are still short to cover every local region, and event but we are on the way

An abstract graphic on the left side of the slide, featuring a large, light blue shape that resembles a stylized letter 'F' or a similar symbol, set against a dark blue background. The shape is composed of several rounded, overlapping segments.
